"ALASKA POLICYHOLDER NOTICE 3 AAC 25.050

This policy is issued by a nonadmitted or surplus lines insurer. Insurance may only be purchased from nonadmitted insurers if the full amount, kind, or class of insurance cannot be obtained from insurers who are admitted to do business in the State of Alaska. Your broker or the surplus lines broker has determined that this was true on the date the policy was placed. Before issuing a renewal policy or extending this policy, remarketing is required. To avoid intentional or unintentional extension of coverage in the surplus lines market when an admitted market for that coverage exists, a nonadmitted insurer is prohibited from the automatic renewal or extension of a policy without remarketing by your broker or the surplus lines broker. In order to comply with the Alaska Administrative Code, the following notice is given:

You are hereby notified that, under 3 AAC 25.050, your policy will terminate effective no later than the date and time of its expiration. We reserve the right to cancel this policy sooner than the expiration date by giving you notice of cancellation as required in AS 21.36.220. You may request through your broker that a new policy from the surplus lines broker be concurrent with the effective date of the termination of this policy.

You are also notified that a new policy, if issued by us, is subject to rerating, which may result in a premium increase of more than ten percent (10%). As required by 3 AAC 25.050, you are hereby notified that any subsequent policy issued by us may be subject to a ten percent (10%) or more increase in premium. The actual premium will be based upon rates that apply at the time a subsequent policy, if any, is issued and will be made available to you before the effective date of the new policy, or the date subsequent coverage is bound, whichever occurs first."

The protection of the Arkansas Property and Casualty Guaranty Act does not apply to this contract. A tax of four percent (4%) is required to be collected from the insured on all surplus lines premiums.

DEDUCTIBLES

This policy sets forth certain deductibles that will be applied to claims for damages. When applicable, a deductible will be subtracted from your total claim, and you will be paid the balance subject to applicable coverage limits.

- **You may be able to reduce your premium by increasing your deductible. Contact your producer/agent or insurer for more details.**

NOTICE:

This policy [does/does not] set forth a deductible for covered losses caused by [hurricane; wind; named storm] as defined in the policy.

Separate Deductible Examples – Hurricane, Wind or Named Storm Damage

If applicable, the following illustrates how a separate deductible applying to hurricane, wind or named storm damage is applied under your policy:

[The insurer shall comply with LSA-R.S. 22:1319.B(3) by selecting either option A or B below:

- A. Developing its own standardized example to reflect how a hurricane, wind or named storm damage loss will be adjusted under the policy. The standardized example shall set forth a**

separate loss for each coverage included in the policy for which a premium has been paid. The total of all losses combined shall exceed by at least ten percent (10%) the applicable deductible(s) so that the example demonstrates a net payment to the insured.

- B. Utilizing the standardized example prepared by the LDOI if this standardized example properly reflects how a separate deductible is applied to a hurricane, wind or named storm damage loss under the policy:

The following assumes no coinsurance penalty and a 2% hurricane, wind or named storm deductible. The amounts of loss to the damaged property are \$50,000 (building) and \$20,000 (business personal property).

Limits of insurance on building	\$ 100,000.00
Total amount of building loss	\$ 50,000.00
Less 2% deductible (\$100,000 X .02)	– \$ 2,000.00
Net payment to insured for building loss	\$ 48,000.00
	\$
Limits of insurance on the business personal property	\$ 50,000.00
Total amount of business personal property loss	\$ 20,000.00
Less 2% deductible (\$50,000 X .02)	– \$ 1,000.00
Net payment to insured for business personal property loss	\$ 19,000.00
Total net payment to insured for building and business personal property loss (\$48,000 + \$19,000)	\$ 67,000.00]

- 1) Loss resulting from necessary interruption of business conducted by the Insured, whether total or partial, and caused by loss, damage, or destruction covered herein during the term of this policy to real and personal property as described in Clause 7.A.
- 2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED by the Insured, consisting of the net profit which is thereby prevented from being earned and of all charges and expenses only to the extent that these must necessarily continue during the interruption of business excluding Ordinary Payroll and only to the extent such charges and expenses would have been earned had no loss occurred.

- 6) Experience of the Business:
 - (a) In determining the amount of net profit, charges and expenses covered hereunder for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the experience of the business before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real or personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available experience of the business after completion of the construction, erection, installation, or assembly.
 - (c) With respect to property under course of construction, delay in opening caused by an insured peril, loss shall be deemed an insured loss for business interruption purposes if the business operations fail to begin on the scheduled completion date existing at the time of insured loss, all other issues being equal. The loss

amount shall be determined by evaluating the actual income experienced after actual reopening and applying said levels of income experienced for the time delay period. - (3) Experience of the Business:
 - (a) In determining the amount of rental value covered hereunder for the purposes of ascertaining the amount of loss sustained, due consideration shall be given to the rental experience before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real and personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available rental experience of the business after completion of the construction, erection, installation, or assembly.

E. Royalties

- (1) Loss of income to the Insured under royalty, licensing fees, management fees and/or commission agreements between the Insured and another party which is not realizable due to loss, damage, or destruction by any of the perils covered herein during the term of this policy to property of the other party.

- (4) **Experience of the Business:** In determining the amount of income derived from the agreement(s) described in paragraph 1 above for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the amount of income derived from such agreement(s) before the date of damage or destruction and to the probable amount of income thereafter had no loss occurred to real and personal property of the type insured under this policy of such other party.

There is no liability for any loss resulting from Contingent Time Element and Contingent Extra Expense that is insured under subparagraph identified as Service Interruption (Clause 7.K).
 - (b) **Impounded Water:** dams, reservoirs, or equipment connected therewith when water, used as a raw material or used for power or for other purposes, stored behind such dams or reservoirs is released from storage and causes an interruption of business, not to exceed 30 consecutive days, as a result of lack of water supply from such sources;

16. EXCESS INSURANCE

Excess Insurance is insurance over the limit of liability set forth in this Policy. The existence of such excess insurance shall not prejudice the coverage provided under this Policy nor will it reduce any liability hereunder.

Step Down / Drop Down / Priority of Payments

A. Primary

Any recoveries made under the primary shall first apply to loss or damage not insured against by the excess policy(ies). Upon exhaustion of the primary limit, the excess policy(ies) shall step down and be liable for loss in the excess of the amount attributed to

24 Hour Holdings I Corp.

2019 - 2020 Property Policy

such policy as respects loss or damage insured thereunder subject to the excess policy(ies) limits.

B. Excess

The amount of loss from any one occurrence, for which this policy is excess, shall be determined by combining the loss, damage or expense as insured under the primary policy.

In the event of loss or damage involving more than one coverage or peril, the Limits of Liability of the underlying policies shall first apply to the coverage(s) or peril(s) not insured by this policy, and the remainder, if any, to the coverage(s) or peril(s) as provided hereunder. Upon erosion or exhaustion of the Limits of Liability of underlying policy(ies), this policy shall then be liable for the loss uncollected from the coverage(s) or peril(s) insured hereunder, subject to the Limit of Liability specified herein.

In the event of reduction or exhaustion of the aggregate limit(s) in respect of flood and/or earthquake designated in the underlying policy(ies), it is hereby understood and agreed that such insurance as afforded by this policy shall apply in excess of the reduced or exhausted underlying limits.

Nothing herein contained shall be held to vary, alter, waive or change any of the terms, limits or conditions of the policy except as herein above set forth.

17. UNDERLYING INSURANCE

- A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.

18. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. The Company(ies) shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

19. SUBROGATION

- A. Any release from liability entered into by the insured prior to loss hereunder shall not affect this policy or the right of the insured to recover hereunder. The right of subrogation against the insured, affiliated, subsidiary, and associated companies or corporations, the insured's officers, directors, and employees, or any other corporations or companies associated with the insured through ownership or management, or between contractors, subcontractors, sub-subcontractors, and at the option of the insured against a tenant, vendor, supplier, guest, or customer of the insured, is waived.
- B. In the event of any payment under this policy, the Company(ies) shall be subrogated to the extent of such payment to all the insured's rights of recovery therefore. The insured shall execute all papers required and shall do anything that may be reasonably necessary at the

Page 25 of 35

24 Hour Holdings I Corp.

expense of the Company(ies) to secure such right. The Company(ies) will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

20. SALVAGE AND RECOVERIES

All salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly. If recovered or received subsequent to a loss settlement under this policy, such net amounts recovered shall be divided between the interests concerned, i.e. the Insured and any other Company(ies) participating in the payment of any loss, in the proportion of their respective interests.

21. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company(ies) shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, to the cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

22. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department.

Any delay by the Insured in providing notice shall not affect the Insured's right to coverage under this policy, except if and to the extent that the Company(ies) proves that it actually and substantially was prejudiced by any unreasonable delay in notice.

24. PROOF OF LOSS

The Insured, at the request of the Company(ies), will render a signed and sworn proof of loss to the Company(ies) or its appointed representative stating: the place, time, cause of the loss, damage, or expense; the interest of the Insured and of all others; the value of the property involved in the loss; and the amount of loss, damage, or expense.

25. PARTIAL PAYMENT OF LOSS

In the event of a loss covered by this policy, it is understood and agreed that the Company(ies) will issue partial payment(s) of claim subject to the policy provisions, and shall not be less than the undisputed estimate of loss or damage between the Insured and the Company(ies).

27. APPRAISAL

If the Insured and the Company(ies) fail to agree on the amount of the loss, each, upon written demand of either the Insured or the Company(ies) made within 60 days after receipt of proof of loss by the Company(ies), shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of the Company(ies), such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company(ies) within 30 days thereafter. The Insured and the Company(ies) shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire. However, if the award is greater than the amount offered by the Company(ies) in payment of the loss at any time before the award is rendered, then the Company(ies) shall pay 100% of the fees and expenses for each appraiser and the umpire and for the appraisal.

29. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with the Company(ies), and, at the Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

The Company(ies) agrees that any action or proceedings against it for recovery of any loss under this policy shall not be barred if commenced within two years and one day after the Insured provides notice to the Company(ies) in accordance with clause 23 above, which period shall be tolled from the date of notice until the date that the Insured receives the Company's final coverage decision (this two year and one day period is referred to as the "limitations period"). However, the limitations period shall not apply if by the laws of the State of the address of the Insured such a limitation is invalid or if the laws of the state in which any such action is brought permit a longer period of time within which to commence such a suit. Furthermore, any tolling of the limitations period shall not preclude the Insured from bringing a suit or any other proceeding regarding recovery for any loss or of any claim hereunder during the period of tolling or at any other time. Prosecution of a suit by the Insured shall not be barred due to the failure of the Company(ies) to timely advise and notify the Insured of the expiration of any applicable dates to file and commence said suit.

It is agreed that in the event of the failure of the Company(ies) to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, the Company(ies), at the request of the Insured, will submit to the jurisdiction of any court of competent jurisdiction within the United States and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law. (FOR CERTIFIED ACTS OF TERRORISM UNDER THE TERRORISM RISK
INSURANCE ACT, AS AMENDED)

Named Insured 24 Hour Holdings I Corp.	Endorsement Number 17
Policy Period June 30, 2019 – June 30, 2020	Effective Date of Endorsement 6/30/19

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

This Policy excludes loss, damage, cost or expense, arising directly or indirectly as a result of a “certified act of terrorism” as defined by the Terrorism Risk Insurance Act of 2002, as amended (“the Act”), and any revisions or amendments thereto, regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For purposes of this endorsement and in compliance with the Act, “certified act of terrorism” shall mean an act that is certified by the Secretary of the Treasury in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism pursuant to the Act. The criteria contained in that Act for a “certified act of terrorism” include the following:

1. The act resulted in aggregate losses in excess of \$5 million; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

However, if an act of terrorism results in a fire and the direct physical loss or damage to property insured hereunder located in any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, each of the United States Virgin Islands and any territory or possession of the United States, that, either pursuant to the Standard Fire Policy or otherwise, prohibits exclusions for acts of terrorism that result in fire, this Company will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage to property insured hereunder and may be limited, in accordance with the Standard Fire Policy to the lesser of the actual cash value of the property at the time of the loss, or the amount which it would cost to repair or replace the property, without allowance for any increased cost of repair or replacement by reason of any ordinance or law, and without any compensation for business interruption, extra expense to continue business activities, or any other coverage for loss or damage other than direct physical loss or damage to the property insured hereunder.

With respect to fire resulting from any one or more acts of terrorism, this Company will not pay any amounts for which this Company is not responsible under the terms of the Act (including subsequent Congressional action pursuant to the Act) due to the application of Section 103 of the Act or any clause that results in a cap on our liability for payments for terrorism losses.

THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, COVERAGE MAY BE REDUCED.
